Mystery Pet 3

Geckos

All **domestic animals** have 4 essential needs:

1. Shelter
2. Food and water
3. Exercise
4. Love and care

It is your **responsibility** to keep your pet healthy and happy.

General information

Geckos are reptiles.

Young geckos are called hatchlings.

Geckos can live up to 20 years!

Shelter

Geckos live in a tank.

The tank needs special lamps and lots of hiding places.

Food and Water

Geckos eat crickets and worms.

They drink water.

Exercise

Geckos need to move and play.

They like **to explore** areas around the house.

They like **to hide**, **bask** under a light and **crawl** up your arm!

Love and Care

To keep your pet happy, you need to play with your gecko 15 minutes a day.

To keep your pet healthy,

you need **to wash** your gecko once a week.

You need **to clean** its cage every day.

You need **to feed** it twice a week.
